HIGHMARK – HEALTH FOR ALL

Who is Highmark?

Highmark, a well-known and respected, local Pittsburgh insurance organization, is actually the third largest Blue Cross Blue Shield affiliated company offering plans throughout Pennsylvania, West Virginia and Delaware. Highmark is a part of the larger **Highmark Health** business, which includes **Allegheny Health Network**, United Concordia dental, Visionworks, and many other services.

To deliver its members the highest quality of care, while remaining close to home, Highmark provides a network of community-based facilities as well as partnerships with several leading organizations outlined below. These strategic partnerships help Highmark provide the **right amount of care** and the **right quality of care** at the **lowest cost**. By offering these solutions, people are discharged faster or stay out of the hospital altogether and get back to doing the things they love much faster.

Highmark strives to provide excellence in every aspect of health care. Members are the first priority. The organization continues to create improvements in delivery of care, network access, and tools and technology for its members. These advancements are made possible by Highmark's outstanding leadership, team collaboration, and purposeful execution.

For more information regarding the Consent Decree, including a listing of in-network hospitals, please visit the MBS website.

**All information for this newsletter was obtained from Highmark's website, brochures, & materials from the account team.*
