Who is UPMC?

UPMC is a distinguished health care insurer and provider located in Pittsburgh. Affiliated with the University of Pittsburgh, this health system has evolved into a \$16 billion integrated delivery and finance system solely focusing on its patients and the world class care being delivered. UPMC is continually creating new accountable and cost-effective models to help improve their quality of care.

While UPMC's network is primarily a local community-based network, it also reaches into Ohio, Maryland and West Virginia. The network is comprised of top-ranked doctors and hospitals in Pittsburgh and its communities. There are several areas of excellence including: Geriatrics, Neurosurgery, Oncology, Psychiatry, Rehabilitation, Transplantation, and Women's Health. The system provides award-winning customer service, concierge service and health coaching to its members as well as access to digital tools and online services to make utilizing the plan easier and more convenient. UPMC's goal is to offer the best coverage possible to its members wherever they are.

For more information on the Consent Decree, including a listing of in-network hospitals, please visit the MBS website.
